TERMINAL DISCLAIMER UNDER 37 C.F.R. 1.321(a)

Sir:

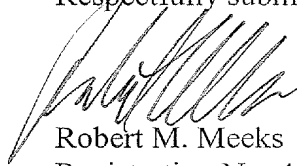

I, Robert M. Meeks, am an attorney of record of the disclaimant, Ericsson Inc., and am authorized to execute this disclaimer on behalf of Ericsson Inc. The disclaimant, having a principal place of business at 7001 Development Drive, Research Triangle Park, North Carolina, 27709, is the owner of all right, title, and interest in the above-identified application, by Assignment recorded on January 15, 2002, at Reel 012502, Frame 0017.

The disclaimant hereby disclaims, except as provided below, the terminal part of any patent granted on the above-identified application that would extend beyond the expiration date of the full statutory term as defined in 35 U.S.C. §§154 - 156, §173, and any other relevant statutory provision of prior U.S. Patent No. 7,158,533, filed January 15, 2002, as presently shortened by any terminal disclaimer, which patent was assigned to the above-identified disclaimant by an Assignment recorded on January 15, 2002, at Reel 012503, Frame 0581.

Disclaimant further agrees that any patent so granted on the above-identified application, which is the subject of this disclaimer, shall be enforceable only for and during such period that U.S. Patent No. 7,158,533 and the instant application are commonly owned. This agreement runs with any patent granted on the above-identified application, and is binding upon the grantee, its successors, or assigns.

Nothing herein shall be construed as a disclaimer of any terminal part of any patent granted on the above-identified application that is prior to the expiration date of the full statutory term as defined in 35 U.S.C. §§154 - 156 and §173 of U.S. Patent No. 7,158,533, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR §1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

Respectfully submitted,

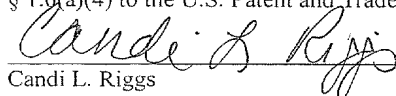

Robert M. Meeks
